

Traditional Marriage and the Preservation of Liberties

WHEREAS, the convincing evidence of history, science, and the Judeo-Christian religion is that monogamous marriage between one natural man and one natural woman is the only marital arrangement that produces the social stability necessary for the “ordered liberty” envisioned by America’s Founders; and

WHEREAS, the convincing evidence that anti-western behavior modification and social engineering produced the modern sexual revolution of the past seven decades and changed the mores of the American culture—including the acceptance of unrestrained abortion, the promotion of sexuality outside of monogamous marriage between a natural man and natural woman, the explosion of pornography, the rise in human trafficking in Western countries, lowering age of consent laws, and the aggressive promotion of gender confusion and its imposition upon children—is producing social breakdowns that threaten the balance between morality and liberty necessary to sustain a free society.

THEREFORE, be it resolved that,

The 2018 RPT Platform Preamble replace sentence five with the following sentence:

We recognize that liberty’s success depends on our abundant freedom being balanced by moral virtue and stable social institutions, especially the institution of traditional marriage and family which is the strength of our nation.

The 2018 RPT Platform Principle 2 be amended to read:

2. The sanctity of innocent human life, created in the image of God, which should be protected from fertilization to natural death; and the sanctity of God-given male and female genders determined by biology and physiology, which should be protected from fertilization to natural death.

The 2018 RPT Platform Principle 6 be amended to read:

6. Self-sufficient families, founded only on the traditional marriage of a natural man and a natural woman—and recognized in law due to the traditional family’s role in producing the social stability necessary to allow for limited government and liberty.

BE IT FINALLY RESOLVED, that a copy of this resolution be sent to the _____ County or Senate District # _____ Convention Resolutions Committee from Precinct _____ with the recommendation that it be passed and sent to the State Convention Platform Committee of the Republican Party of Texas.
