| OFFICE  | DISTRICT / OFFICE       | NAME             |   |
|---|-------------------------|------------------|---|
| <b>STATEWIDE RACES:</b>                               |                         |                  |   |
| President   |                         | Donald Trump     |   |
| US Senator  |                         | Ted Cruz         |   |
| Texas Supreme Court Place 4                           | Place 4                 | John Devine      | Constitutional Judge - we need to re-elect John Devine. He is likely one of the best Judges Texas has ever had  |
| Texas Criminal Court of Appeals                       | Presiding Judge         | David Schenck    | Also one of the very best constitutional judges in Texas. We need David Schenck on this court   |
| Texas Court of Criminal Appeals                       | Place 7                 | Gina Parker      | Gina is a long-time Eagle so we know she will support the Constitution when on the bench  |
| Texas Railroad Commissioner                           |                         | Christi Craddick |   |
| <b>SBOE RACES:</b>                                    |                         |                  |   |
| State Board of Education Dist. 10                     | SBOE Dist. 10           | Dr. Mary Bone    | Mary has proven herself on a local school board. She stands up for a proper education and against indoctrination  |
| SBOE Dist. 11   | SBOE Dist. 11 Recommend | Brandon Hall     | Brandon has worked with students through ministry. He is cognizant of the issues they face in our public school system. He will bring fresh eyes and ears to the SBOE as he advocates for the first-best in education for our young Texans. |
| State Board of Education Dist. 12<br>DUAL ENDORSEMENT | SBOE Dist. 12           | Jamie Kohlmann   | Notes: Jamie is a parent of school-age children. She has followed, worked on and understands educational issues. She can bring fresh ideas to the board.  |
| State Board of Education Dist. 12                     | SBOE Dist. 12           | Pam Little       | Notes: Pam has become a good advocate for needed improvements over her tenure at the SBOE. She brings experience to the meetings and wins battles we support.   |
| <b>U.S. CONGRESSIONAL RACES:</b>                      |                         |                  |   |

## TEXAS EAGLE FORUM ENDORSEMENTS 2024

| OFFICE                                   | DISTRICT / OFFICE | NAME           |   |
|--|-------------------|----------------|---|
| US Congress                              | CD 6              | Clifford Wiley | Former Military, a history teacher, values the 10th amendment. Current Rep. Elzey has not been with the people of the district.   |
| US Congress                              | CD 12             | Clint Dorris   | Strong Endorsement - Cliff stands out as the best candidate by far for this district. He understands what we are up against in DC.  |
| US Congress                              | CD 23             | Julie Clark    | Relatively new to political action but Julie has jumped in with both feet and a lot of energy. She is great instinct and experience living near our border  |
| US Congress                              | CD 26             | Brandon Gill   | Brandon is young, wise and a deep thinker. We believe he will be a good addition to those standing strong for proper principles in Congress   |
| US Congress                              | CD 32             | Darrell Day    | Darrell will be a Representative with a strong backbone. He will fight for our Constitution and will vote according to this precious document. We need him in Congress                              |
| <b>TEXAS SENATE RACES:</b>               |                   |                |   |
| Texas State Senate                       | SB 30             | Jace Yarbrough | Jace is by far the most qualified (and like-minded with TEF) for this position. He is a true conservative, smart and understands the issues that matter for Texans.                                 |
| <b>TEXAS STATE REPRESENTATIVE RACES:</b> |                   |                |   |
| State Representative                     | HD 1              | Dale Huls      | HD 1 is a "salt of the earth" conservative-minded district. We do not believe Dale's opponent represents the district accordingly. We hope to see Dale take this seat and rep the district properly |
| State Representative                     | HD 2              | Brent Money    | Brent has been involved in conservative issues for years. He lives a life that shows his values and beliefs. We know he will be a great Representative for HD 2.                                    |

## TEXAS EAGLE FORUM ENDORSEMENTS 2024

| OFFICE               | DISTRICT / OFFICE | NAME              |  |
|----------------------|-------------------|-------------------|--|
| State Representative | HD 8              | Jaye Curtis       | Jaye is more conservative than his opponent. We believe Jaye will represent HD 8 far better. Jay's opponent supported big expansion of medical marijuana and gambling among other bad votes                  |
| State Representative | HD 15             | Steve Toth        | Steve was a strong voice opposing the illegal (TX Gov. Code sect. 301.022) impeachment of AG Paxton. He stood up against the gambling lobby as others pandered to them. Steve has strength of character      |
| State Representative | HD 17             | Tom Glass         | Tom is an expert on the border - he can add a lot to solving our border issues if he is elected.   |
| State Representative | HD 19             | Kyle Biedermann   | We would welcome Kyle back to the House. He has always stood for our precious Alamo. He has great ideas for House rule changes. Kyle knows his district and puts their needs first                           |
| State Representative | HD 20             | Janine Chapa      | Janine had a refreshing grasp on the issues we support or fight in Austin. Her district has rallied around her candidacy. She is developing into a conservative leader and we would welcome her win.         |
| State Representative | HD 21             | Covey, David      | David was one of the best candidates we interviewed. He worked in the capitol and knows how to get important things done there. His values are true Texan and those of our Founders.                         |
| State Representative | HD 29 Recommend   | Edgar Pacheco Jr. | We have know Edgar for several years. He advocates for Republican priorities in the Capitol. We are not on the same page on every issue but feel Edgar leads the field for the best candidate for this spot. |
| State Representative | HD 30 Recommend   | AJ Lauderback     | AJ will be a much needed border expert at the Capitol. As a former Sheriff he will support the rule of law. We have an issue to hash out but otherwise we really like AJ                                     |

## TEXAS EAGLE FORUM ENDORSEMENTS 2024

| OFFICE               | DISTRICT / OFFICE | NAME                   |   |
|----------------------|-------------------|------------------------|---|
| State Representative | HD 33             | London, Dennis         | Dennis spent a lot of last session in the Capitol advocating for the issues he is running on. His experience gives him great practice at remaining strong. The HD33 incumbent scored very low on our scorecard. |
| State Representative | HD 53             | Wesley Virdell         | Wes is a strong and expert advocate for our 2nd Amendment. He will stand for traditional values at the Capitol representing HD 53 well.   |
| State Representative | HD 55             | Vote against incumbent | Waiting to see if there is a runoff and then will revisit.  |
| State Representative | HD 56             | Duke, Devvie           | Devvie has served well on the SREC. TEF looks forward to working with Devvie. She is the right person to represent HD 56.   |
| State Representative | HD 60             | Olcott, Mike           | Mike came very close to being elected in the last cycle. He spent time in the Capitol advocating for the issues he campaigns on. This confirms that he is a true conservative and will represent HD 60 well.    |
| State Representative | HD 61             | Charles Branch         | Charles has a proven Conservative record and is fiscally responsible, cutting waste and bloat in the city budget. He stands on a firm foundation. Willing to stand up if the crowd is wrong                     |
| State Representative | HD 61             | Keresa Richardson      | Keresa is new to activism but has very good instinct on our issues. We believe we can work on our family issues with either of these candidates. Frazier was a bust.  |
| State Representative | HD 62             | Luther, Shelley        | Shelley's understanding of issues and the times has greatly improved since we first met her. We are excited to endorse her.   |

## TEXAS EAGLE FORUM ENDORSEMENTS 2024

| OFFICE               | DISTRICT / OFFICE | NAME                        |  |
|----------------------|-------------------|-----------------------------|--|
| State Representative | HD 63             | Vince Gallo                 | We found Vince to be well informed on many issues. He has a backbone and will stand firm against issues that hurt Texas or Texans. He will support our families and our state well                                   |
| State Representative | HD 64             | Hopper, Andy                | Andy jumped into true conservative politics with both feet. We fully support his second effort to replace an incumbent who has not listened or responded to his district. Andy understands the role of government.   |
| State Representative | HD 65             | Mitch Little                |  |
| State Representative | HD 66             | Wayne Richard               | Wayne has good financial and business sense. He is not a newcomer to analyzing ideas and knowing how they fit or fight our great Constitution.   |
| State Representative | HD 67             | Daren Meis                  | We believe Daren will represent the district rather than himself - current Rep. (incumbent) supports lobbyists issues and seeks the praise of "powerful people."   |
| State Representative | HD 71             | Liz Case                    | Liz has been side by side with TEF on many issues through the years. She is energetic and hard working.  |
| State Representative | HD 86             | Jamie Haynes                | Jamie is a great fit for HD 86. She got her feet wet fighting for giving Texas children a great education instead of an indoctrination to leftist ideas. We trust she will stand well for the district               |
| State Representative | HD 89             | split vote - no endorsement |  |
| State Representative | HD 91             | David Lowe                  | David has come a long way in his grasp of the issues we face today. He will engage positively for the family. We did reach out to the incumbent's office months ago to try to discuss differences w/ no return call. |

## TEXAS EAGLE FORUM ENDORSEMENTS 2024

| OFFICE                                 | DISTRICT / OFFICE | NAME             |  |
|--|-------------------|------------------|--|
| State Representative                   | HD 108            | Barry Wernick    | Barry understands the critical issues we are fighting. The current Rep. for HD 108 follows leadership and lobbyists rather than representing the voters in the district  |
| State Representative                   | HD 112 Recommend  | Chad Carnahan    | Chad is a businessman who has spent some time with our Dallas Eagle Forum Chapter and with other conservative groups. We believe he is adequately educated on our issues to be a true improvement in representing HD 112. The Current Rep. had one of our very lowest "family values" score of all R's. She voted for new taxpayer funded programs, gambling, expanding marijuana. Bills that will hurt out great state. |
| State Representative                   | HD 121 Recommend  | Marc LaHood      | The incumbent scored very low on our Family Values Scorecard. We recommend Marc who better understands and knows we must fight the Left's agenda for Texas   |
| State Representative                   | HD 133            |                  |  |
| State Representative                   | HD 138            | Jared Woodfill   | Jared is a known, proven, and outspoken conservative. He has not changed. We met the incumbent when she worked on family issues but after she was elected we saw a dramatic change in her values.  |
| <b>LOCAL RACES (RARE ENDORSEMENTS)</b> |                   |                  |  |
| Montgomery Co. Chair                   |                   | Gwen Withrow     |  |
| Ector County Chair                     |                   | Tisha Crow       |  |
| County Commissioner, Smith County      | Precinct 1        | Christina Drewry |  |
