

**Senate District 2 Delegate Training**  
**2022 REPUBLICAN STATE CONVENTION June 15 – 18**  
**FREQUENTLY ASKED QUESTIONS**

**DO I HAVE TO PRE-REGISTER?**

No – but it is ADVISABLE. It will save time when you get your credentials. If you have already pre-registered, your credentials and any event tickets you have registered for will be ready for you and you will be able to use one of the kiosks to obtain the credentials immediately. You may pre-register at <https://events.american-tradeshow.com/txgopfederal120>.

If you have not pre-registered, you will need to go to the Accounting Office onsite to register and purchase any event tickets. Then you will have to return to the kiosk to get the credentials. Also keep in mind that these events really need a head county so they can plan for food and space considerations. In some cases, the event you want to attend will have limited seating, and you will not be able to attend it.

**WHY ARE THEY CHARGING A FACILITY FEE?**

The facility fee is requested to help defer the cost of the convention. It costs close to 1.5 million dollars to put on this convention. Booth sales from different organizations, candidates, and exhibitors will only cover part of that cost.

**DO I HAVE TO HAVE A PHOTO ID TO PICK UP MY CREDENTIALS?**

Yes, you must have a photo ID to pick up your credentials.

**CAN I PICK UP MY SPOUSE'S CREDENTIALS?**

Each person really needs to pick up their own so they can show their ID.

**WILL I GET MY TICKETS TO THE EVENTS I REGISTERED FOR WHEN I PICK UP CREDENTIALS?**

Actually, they will be no paper tickets. There will be a bar code on your credentials that has all of the events programmed onto it. (Another reason to pre-register). As a back-up, they are suggesting that everyone keep the e-mail confirmation they receive.

**HOW WILL I KNOW WHERE TO GO DURING CONVENTION?**

When you pick up your credentials, you will also be given a program that will have a schedule, events, a map, and other helpful information. You will also be given a souvenir convention bag-this is great for carrying all of your goodies around (or maybe a pair of comfortable walking shoes)! Also, there is an app called ATTENDIFY. Download it to your phone, and you will get real time information during the convention.

**HOW DO I REGISTER FOR THE CONVENTION AND THE DIFFERENT EVENTS?**

Go to [Texasgop.org](https://Texasgop.org). On the convention tab on the top right side of the page, there is a drop down for 2022 State Convention. Here you will find all sorts of links-from registering for the convention and booking a hotel, to information on transportation options and information on the different events.

## **WHAT IS THE DRESS CODE?**

Comfortable and patriotic! Seriously, during the majority of the convention, you will see people dressed in everything from business to business casual, to jeans and a nice shirt. The key is to be comfortable and make sure that you wear or bring comfy shoes. You will not have a good experience if your feet are killing you!

## **CAN I BRING MY GUN?**

Concealed and Open Carry rules apply. There may be some restriction on this if we have a "Special Guest" that requires Secret Service protection. At this point, we have not heard if this is the case. We will do our best to let you know if you need to leave your gun in your hotel room. We will also push the information out through the ATTENDIFY app.

## **GENERAL INFORMATION**

The George R. Brown has dramatically increased the number of hand sanitizer stations in the Convention Center. In addition, they will be cleaning common areas such as handrails, bathrooms, etc. an increased number of times. Make sure that you are washing your hands thoroughly throughout the day.

## **SHOULD I BRING ANYTHING ELSE**

You don't have to, but there are some things that might come in handy:

- Hand sanitizer and handwipes
- Charger for phone and laptop
- Business cards
- Cash
- Pen/notepad

## **ARE THERE ELECTRIC SCOOTERS AVAILABLE**
