

Help Write Your Political Party Platform

The Party Platforms are a good way to inform your elected officials what they are supposed to support or fight against if they claim to be a member of your party.

1. Vote in the primary
2. Look over ours and other groups resolutions and choose those that you wish to be in our platform or made a priority. Print 3 copies of any you will present at your Precinct Convention.
Read the current Texas GOP Platform [here](#).
3. Attend your local Precinct Convention. Call your County Party Office for dates and times
 - a. If you vote “in precinct” on election day, your conventions are likely on election night
 - b. Some Counties hold their conventions on another day soon after the primary
4. Present Resolutions you like at your Precinct Convention
5. Get elected to be a delegate to your SD or County Convention
6. Attend your SD or County Convention – contact County Party Office for details
 - a. Your SD/County Convention Committees will each meet 3 times and are required to post where and when they will meet. Bring your Resolutions to the proper committee and present them again or advocate for those you submitted at the PC level if possible
 - b. Apply to the Nominations Committee to become a delegate or alternate to the State Convention. Almost all alternates get seated at the Convention so don't worry if you are given an alternate spot. Don't ask for a spot if you know you cannot or will not attend.
7. Attend the State Convention where you can also advocate for your favorite issues. All seated delegates will have an opportunity to vote on the final platform and the party priorities.

Note: this outline aligns with the Texas GOP process as this is the party that aligns with our TEF values and priorities.
