

2026 REPUBLICAN PRIMARY PROPOSITIONS

TEF supports all the Republican propositions.
Proposition 10 is our highest priority.

These propositions do not change the state law; they are intended to gauge Republican primary voters' support for key issues to help shape the party's legislative agenda and guide lawmakers during the 2027 legislative session.

As a conservative organization, Texas Eagle Forum supports these propositions.

Proposition 1

Texas property taxes should be assessed at the purchase price and phased out entirely over the next six years.

Proposition 2

Texas should require any local government budget that raises property taxes to be approved by voters at a November general election.

Proposition 3

Texas should prohibit denial of healthcare or any medical service based solely on the patient's vaccination status.

Proposition 4

Texas should require its public schools to teach that life begins at fertilization.

Proposition 5

Texas should ban gender, sexuality, and reproductive clinics and services in K-12 schools.

Proposition 6

Texas should enact term limits on all elected officials.

Proposition 7

Texas should ban the large-scale export or sale of our groundwater and surface water to any single private or public entity.

Proposition 8

The Texas Legislature should reduce the burden of illegal immigration on taxpayers by ending public services for illegal aliens.

Proposition 9

The Republican-controlled Texas Legislature should stop awarding leadership positions, including committee and subcommittee chairmanships and vice chairmanships to Democrats.

Proposition 10

Texas should prohibit Sharia Law.
