

Resolution - End Redistributive Tuition Structures

Whereas certain taxes and fees are added to the price of tuition across the state in an effort to fund scholarship programs for students with greater financial need, and further that scholarship monies should be raised from the private sector;

Be it resolved that; we ask Legislators to make a law causing public colleges or universities in Texas to lower the cost of tuition for all students by eliminating such taxes and fees which embody a systematic means to redistribute private wealth.

A copy of this resolution should be sent to the _____ County/Senate District # _____ Convention Resolutions Committee from Precinct # _____ with the recommendation that it be passed and sent to the State Convention Platform Committee of the _____ Party of Texas.
